CLEAN-UP EVENT SAFETY SHEET

Stay safe while doing your part to make Hayward a more beautiful place to live, work and play. Follow these important safety tips at all times:

TRAFFIC

When you are near the street, watch

for vehicles **at all times**.

Always look both ways before crossing the street and be sure to eliminate distractions (put your phone down!) before attempting to cross.

RAILROADS

When required, a designated Union Pacific Railroad representative will be present to ensure your safety. Please cooperate with any directions given. Stay at least 10 ft. from the tracks unless otherwise instructed by the designated representative. Stay on the railroad side of the curb as much as possible. Freight trains are **fast & frequent!**

TICKS

When you return home, check every part of your skin for ticks, especially your ankles, arms, and around the neck.

DEAD ANIMALS

Do not pick up or touch any dead rodents or animals: tell a Task Force Member.

HAZARDOUS MATERIALS

Do not pick up any of the following **by hand**:

- Drugs
- Syringes/needles.
- Chemicals/alcohol/containers containing liquid.

For drugs/syringes, use grabber if possible or report the location to a City worker or Task Force member. Use biohazard container. Chemicals/alcohol/liquid may also be reported.

POISON OAK

Watch out for poison oak! It can be green or red and always has three leaves.

WATER

If you need drinking water or a bathroom, please return to the assembly location.

UNEVEN TERRAIN

Watch your step! Dirt, weed areas, and roadsides are usually uneven and can be slippery.

ASK QUESTIONS

Never hesitate to ask questions. City staff and Task Force members are here to help!
